

# Tasdid Hasnain

## Student

I'm Tasdid Hasnain. I'm a Student at Metropolitan University. I'm studying in the Department of Computer science and engineering. I'm a talented and creative front-end and back-end web developer. Last 8 months I'm working on the Django framework and creating some projects for my client. I'm currently looking to secure a part-time job position to utilize my strong analytical skills and programming knowledge.
